Description

This dataset contains information from the third survey of the collection of Swedish opinion surveys. Many of the questions are replications of questions asked in previous surveys, some of the questions are excluded and a number of questions are added. New questions in this survey dealt with: most important political task in the nearest future; measures to be taken to improve the Swedish economy; improvements wanted in one's own life; opinion on religion and religious people; persons to be protected when the standard of living is decreasing; insurances; various measures to prevent crime; industrial cooperation between Sweden and Norway; immigration; interest in domestic policy; causes of the country's bad economy; opinion on reductions in the public expenses; attitudes toward drugs; the respondent's parents opinion on religion and drugs; cooperation between various groups in society; and interest in the political debate in mass media.

Data contains personal data
