Description

This survey was made at the request of the County Council of Uppsala, and the aim of the survey was to map the freetime habits of the gainfully employed population of the county. Questions were asked about the respondent's working conditions, leisure activities, opinions of different leisure activities, leisure activities organized by the employer or the trade union, holiday activities 1977, membership of organizations, and trade union engagement. There were also a number of questions about the leisure activities, and the medical care service organized by the County council.
