Description

Data of Demography 1970 consists of three excerpts from the Census of the Population 1970. The first part is a description of the total population by age, marital status and sex with one record/county, administrative district, parish, district, population center. The second describes foreigners and foreign born in administrative districts larger than 50.000 inhabitants and X percent foreigners. One record/person with data on age, sex, marital status, administrative district, population, percent foreigners and citizenship. The third consists of all foreigners. One record/person with information about county, administrative district, population center, sex, marital status, age, country of origin and citizenship. The persons are not identifiable by numbers.
