P13

P14 Module 1. Plantation details

P15 P 1. Disturbance observed in plantation area. Check all that apply

- fires (1)
 - grazing (2)
 - invasive (3)
 - tree lopping, cutting (4)
 - soil disturbance (5)
 - trails/roads (6)
-

P16 P 2. Canopy cover of plantation in percent

- 0-25% =1 (1)
 - 26-50% =2 (2)
 - 51-75% =3 (3)
 - 76-100% =4 (4)
-

P17 P 3. How likely are violators of those rules to face penalties?

- No, there are no rules =0 (1)
 - Yes =1 (if no skip to question: Can you describe the legal property rights (de jure) for the following?) (2)
-

P18 P 4. If penalties are imposed, what is the level of compliance by the users?

- No one complies with the penalties imposed on them =1 (1)
 - few users comply with the penalties imposed on them =2 (2)
 - about half the users comply with penalties imposed on them =3 (3)
 - most users comply with penalties imposed on them =4 (4)
 - almost all users fully comply with penalties imposed on them =5 (5)
 - no response = 6 (6)
-

P19 P 5. During the past year, has a local forest governance organization coordinated, passed rules or modified rules for the following activities in the plantation area?

	No=0 (1)	Yes=1 (2)
Planting seeds, seedlings or other maintenance activities (1)	<input type="radio"/>	<input type="radio"/>
Forest protection (2)	<input type="radio"/>	<input type="radio"/>
Rule enforcement (3)	<input type="radio"/>	<input type="radio"/>
Harvesting/using (4)	<input type="radio"/>	<input type="radio"/>
Processing/producing (5)	<input type="radio"/>	<input type="radio"/>
Selling (6)	<input type="radio"/>	<input type="radio"/>
Conflict resolution (7)	<input type="radio"/>	<input type="radio"/>

P20 P 6. Is there a local institution that currently manages the plantation?

No=0 (1)

Yes=1 (2)

P21 P 7.1 If so, what is the name of this institution?

P22 P 7.2 How many years has this institution been managing the plantation?

P23 P 8. The types of conservation measures adopted in relation to the plantation are

Too restrictive, more could be harvested from the plantation without endangering its sustainability over time=1 (1)

About the right level of conservation=2 (2)

Too lax, if harvesting continues at this rate, the sustainability of the forest is endangered=3 (3)

Non-existent=4 (4)

P24 P 9. Have the community participated in any informal institutions related to plantation management?

No=0 (1)

Yes=1 (2)

P25 P 10. If yes to community participation in informal institutions, management is related to

Fire = 1 (1)

Protection for grazing, fodder fuelwood = 2 (2)

P26 P 11. If yes to community participation in informal institutions, management is motivated by

Motivated for protection of private property = 1 (1)

Motivated by forest department = 2 (2)

Motivated by benefits = 3 (3)

P27 P 12. What types of penalties are imposed on users if they break a harvesting rule related to this forest the first time? How about the second time? How about if they break a harvesting ruler many times? Mark all that apply

	First time (1)	Second time (2)	Many times (3)
Verbal chastisement/public sanctions (1)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In-kind restriction/seize products (2)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Financial (3)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Physical-corporeal punishment or imprisonment (4)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Penalties are too discretionary to define (5)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Not applicable (6)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
