Overview	
Identification	SND0160-001
Version	Production Date: 2007-03-06 1.0
Abstract In this survey the contents of 21 Swedish weeklies are scrutinized for the period 1920-1975. Four issues of each paper have been examined for each five years.	
Kind of Data	Coded textual
Unit of Analysis	Text unit (document/chapter/word)

Scope & Coverage	
Keywords	animals, arts, church, cooking, crime, culture, drugs, education, gender roles, interpersonal relations, leisure time activities, occult, personal hygiene, political issues, religion, schools, science, sexual behaviour, social and welfare policy, sport, supernatural, travel, wildlife
Topics	HISTORY, mass media
Time Period(s)	1976-1977
Countries	Sweden
Universe Swedish weeklies 1920-1975. Examples of the features necessary to fit the definition here used for popular press are that the paper should (1) contain a general popular content accessible to the general public, (2) be freely available for purchase, (3) appear at least monthly but preferably once a week (though not more often). Single criteria each of which is sufficient to disqualify a paper from the study's universe, (1) local papers, aims mainly at local coverage, (2) organs of organisations, companies or similar, (3) trade or specialised magazines, i.e. the content is specialised in a certain field, (4) addresses a specific minority (interest group), (5) other language than Swedish.
